

Lakes Entrance TC is the subject of this update as the club develops its status on the regional tennis scene.

Future Leaders

Congratulations to **Steven Goodluck** and **Sean Dobson** from LETC who have completed their Tennis Victoria Future Leaders course at Bacchus Marsh recently. Congratulations also to LETC for their foresight in recommending these two enthusiastic junior members who are getting more and more involved in the administration of the club.

Regional Name and Logo Competition

LETC have shown it is an innovative club by actively getting their members to enter in our competition, and at the same time raising the profile of TEG activities in members. Don't forget the competition closes on 30th September. Entry Forms can be downloaded from the website Home page.

Family Fun Day

LETC recently conducted a Family Super Tiebreaker competition drawing a big number of father/son, mother/daughter, father/daughter and mother/son combinations. With Tennis Victoria showing great support for the "family unit" with it's newly introduced Family Membership category as part of its Player Registration Number (PRN) system, the LETC initiative has resulted in a good number of new family members.

Your Club

If you have any good news stories about your club we are only too happy to include them in a future update.

Calendar

With most AGMs now out of the way, please remember to email your association fixtures, club functions and events for inclusion on the web calendar.
