

2010 Junior Regional Cups & Challenge Calendar

The **2010** Junior Regional Cups & Challenge Calendar, and venues, has been **finalised** by the Tennis Victoria in conjunction with the Country Committee and is [published](#) on our website, together with the required Athlete Nomination Form.

Please note the next event is the **Alicia Molik Cup** (12/U – 2 boys and 2 girls) in March 2010. Nominations close with the Secretary on **15th February 2010**.

Unfortunately, the 18/U Country Cup in January 2010 failed to attract enough teams to conduct the event, and, rather disappointingly, our own Region attracted only one player nomination. Where were our juniors who came up through the ranks and opportunities provided by the Regional Council over past years?

On a very positive note, however, the 2009 Wayne Arthurs Cup (10/U) recently conducted at Kooyong attracted a record 17 teams. Our team finished 11th in a strong field including metropolitan regions, had a great time, and learned heaps. Check out who represented the Region, and the [results](#). We are in the process of preparing a media release to incorporate all of the 2009 Junior Cups & Challenge.

The Regional Council asks clubs, coaches, and junior competition convenors, to give these prestigious events early attention for 2010 and encourage our juniors to aspire to Regional team representation to make 2010 bigger and better than ever.

Please print the document, place it on your club noticeboard, and advertise it to your juniors and their parents in the new year.
