

Orientation to Coaching Course (OTC)

Tennis Australia OTC
overview.pdf

Tennis Victoria Coach Development Coordinator, Tim Bray, is planning coaching courses in Regional Victoria for 2010, to develop more coaches in country Victoria and also skill up volunteers to deliver the Hot Shots program where there is no club coach doing so.

TV would like feedback from our region (regional council, affiliated clubs and coaches) on requirements for coaching courses within our region. Please see attached document detailing the different courses on offer. The courses of focus in regional Victoria will be OTC's (Level 0) and Level 1 (trainee and junior development) courses.

Please advise your interest no later than 16th November.
