### **New Regional Name and Logo Competition**

I hope you picked up some of the publicity in our local media on this – see Media Release link from our website home page. The competition is aimed at a name and logo inclusively representative of our tennis region which includes Wellington and East Gippsland Shires (comparison of TV and municipal regions on website). It opened on 30JUN09, and it closes on 30SEP09. We have had some enquiry but no formal entries yet. If you believe the Region would benefit from a more inclusive title, why don't you have a go, or even challenge your association/club senior or junior committee to get involved. Perhaps even take it to a school with which you are associated and present it as a project, bearing in mind applicants must have a current PRN.

### **Calendar Items**

As you know, we operate an online Calendar. In the past, timely receipt of items from a few associations/clubs may not have occurred, but we know that will improve this season. Email, and the Calendar, is the Regional Council's principal form of communication so use it as a tool to help your association/club. Please provide details of events/functions on an ongoing basis to assist everyone to cooperate successfully. And we don't mind if you pick up an error or typo – just advise us if you find one.

**Frank Sedgman Cup** – good luck to our 11/U team competing at Traralgon today and tomorrow.
